1968

DESIGN: DOMINIQUE IMBERT

With its singular style and hearth that rotates 360°, the Gyrofocus has earned its place as an icon of contemporary design alongside the most legendary names in furniture and interior design.

Focus's flagship model, the Gyrofocus was voted the "Most Beautiful Object in the World" in an Italian design competition and has been exhibited at the Guggenheim Museum in New York.

2024 BIOETHANOL

Smokeless, with no external flue: the installation possibilities are endless!

Fuelled with bioethanol and fitted with a fully electronic, safe burner (made in France), this fireplace is operated by remote control. It is smokeless and does not require an external flue outlet, allowing unprecedented freedom of installation on any floor.
