Freestanding Fire Tables

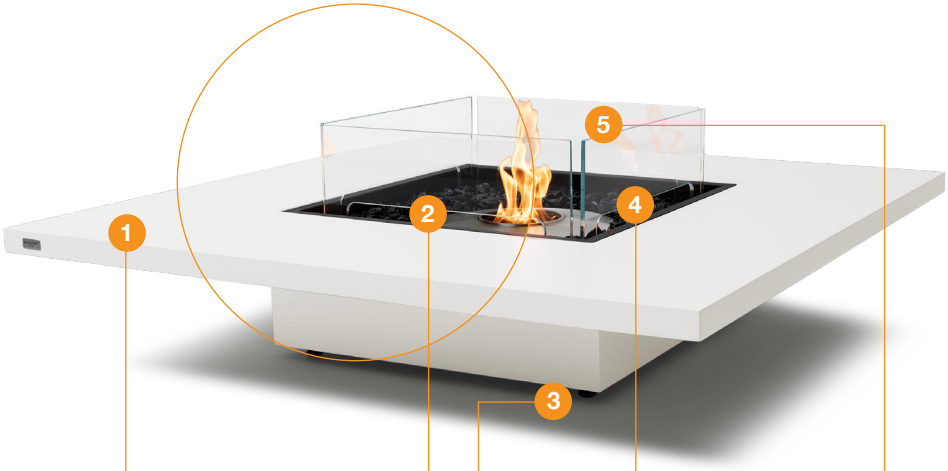
Vertigo Series Design features



1. Fluid™ Concrete Finish
Incredibly strong yet relatively lightweight, EcoSmart's concrete products incorporate revolutionary Fluid Concrete Technology. Fluid features a stain and impact-resistant barrier that protects the concrete from environmental weathering – even under extreme conditions and long UV exposure.

Surround Colours/Finish
Available in three Fluid Concrete colours: Natural, Graphite and Bone.

2. Burner Colours
Available with a Stainless Steel or Black Burner.

3. Articulating Feet
Our Fire Pits and Tables feature 360° height-adjustable articulating feet, so you can achieve a perfectly level and stable model before operating the fireplace.

Quick & Easy Installation
With no installation or building works required, simply unpack, put into position, and off you go.

4. Decorative Media
Models come with black glass charcoal to add the finishing touch. They do not emit any toxic fumes, smoke, or ash and are extremely easy to maintain and clean.

Environmentally-Friendly
Bioethanol fireplaces use an environmentally-friendly, renewable energy source that burns clean and delivers warming heat. You and your guests will enjoy the ambiance and tranquility of a real fire, without the hassles of burning real wood - no more embers, ash, and soot to clean up.

5. Glass Fire Screen
Designed to accommodate two different glass fire screens: Raised Round or Recessed Square.

Ground Fixing Brackets
Models come with fixing brackets for permanently locating into a fixed position.

Global Compliance
These models comply with existing standards in the USA, Europe, UK and Australia. O-TL listed to UL 1370, EN 16647 BSI Certified and ACCC Safety Mandate compliant.

Vertigo Series Accessories

Included accessories

Decorative Glass Charcoal

Our Glass Charcoal is made from high-quality tempered glass.

Glass Fire Screen

Model includes a recessed square glass fire screen, to stabilises the flame in windy conditions.

Jerry Can with Safety Spout and e-NRG bottle adaptor

Jerry Can allows safe storing/ decanting of e-NRG ethanol. e-NRG adaptor connects the Safety Spout to an e-NRG bottle.

Lighting Rod & Lighter

The Lighting Rod is designed to safely adjust the slider position on the burner. It is also used for the ignition procedure.

AB8 Efficiency Ring

Placed over the internal burner vent, it serves to increase the efficiency of the burner as well as further stabilise the flame.

Optional accessories

Glass Fire Screen

This model is compatible with a raised round fire screen depending on the look you prefer.

All Seasons Cover

Take care and protect your investment with our stain and water resistant custom outdoor cover.

Silicone Burner Cover

Black silicone burner covers protect burners from the elements when not in use.

Glass Cover Plate

Enables fire pit tables to easily be transformed into a usable coffee table surface.
